10.1 CACTUS LAKE UTILITIES

DEFINITION:

With regard to the organized hamlet of Cactus Lake, the supply of water and sewer services

POLICY:

The Municipality will provide and maintain the water and sewer utilities to the Municipal facilities and up to any existing residential property lines.

The Cactus Lake well, located in the NE 20 36 27 W3, Lot 15-Blk/Par 2-Plan G607 Ext 0 provides non-potable water.

There will be no charge for utilities.

The Municipality will comply with all standards and recommendations set by the Public Health Authority.

Public Health Inspection Report, March 27, 2014

Required Signage:

1. Non-potable water - not for drinking or cooking use.
2. Domestic Water – filling of all chemical containers and sprayers Strictly Prohibited.

RATIONALE:

Water and sewer utilities are necessary for the Municipal facilities at Cactus Lake. As long as the present infrastructure required by the Municipal facilities is capable of meeting the needs of local residents and ratepayers, the residents and ratepayers are free to access the utilities at no cost.

The Municipality will supply the financial resources to upgrade, repair and maintain the infrastructure on Municipal property. Residential property owners are and will be responsible for any infrastructure upgrades, repairs and maintenance within their property boundaries.

AUTHORITY:

Public Health Authority, March 27, 2014

Municipalities Act Section 23(1)(3), 297
