4.11 PURCHASING BELOW NWPT TENDERING THRESHOLDS

DEFINITION:

POLICY:

If the Municipality has been receiving competitive pricing, quality goods and service from a current supplier or contractor, the Municipality shall continue to procure goods and services from the established business.

Should the Municipality require goods and services costing over \$5,000.00 and below the NWPT tendering threshold from a new supplier or contractor, the Municipality shall request quotes from at least two different suppliers or contractors.

RATIONALE:

The Municipality recognizes and values the importance of established business relationships. Suppliers and contractors that have proven to be competitive, dependable and reliable are an asset to the Municipality and the Municipality will continue to support them.

Should the Municipality require new contractors or suppliers, the Municipality should be proactive informing various contractors and suppliers of Municipal needs. Requesting quotes informs the contractors and suppliers of upcoming business opportunities as well as encouraging competitive pricing, equal opportunity, transparency and accountability.

AUTHORITY:

The Municipalities Act: 92(f)
