9.1 RECREATION GRANTS

Revised May 2022

DEFINITION:

A grant given to communities to support recreation facilities, programs or activities

POLICY:

The Municipality shall annually grant each of the towns of Luseland and Macklin \$10,000.00 and the village of Denzil and Major Recreation Board \$5,000.00 for recreational purposes. The grants will be awarded in January, in the name of the town, village or Recreation Board to allocate at their discretion.

RATIONALE:

As the Municipality does not have an urban centre within its boundaries, ratepayers and residents from the Municipality use and participate in recreational activities in the surrounding towns and villages of Denzil, Luseland, Macklin and Major. To help support recreation facilities and activities within these communities, the Municipality provides recreational grants. As each of the communities has its own recreation management system and policies, the grant will be given in the name of the town, village or Recreation Board to use at their discretion.
