9.2 SASKATCHEWAN LOTTERIES COMMUNITY GRANT PROGRAM

DEFINITION:

The Sask Lotteries Community Grant Program helps volunteer-operated, non-profit community organizations develop sport, culture and recreation programs. The program is a partnership involving the Government of Saskatchewan, SaskSport Inc., SaskCulture Inc. and the Saskatchewan Parks and Recreation Association Inc. Its goal is to enable communities to create sport, culture and recreation programs that are unique to the needs of local residents.

POLICY:

The Sask Lotteries Community Grant is per capita grant. As the Municipality does not operate any sport, culture or recreation programs, the grant will be dispersed to the surrounding towns and villages. 33% of the Municipality's population will be allocated to each of Luseland and Macklin, and 17% to each of Denzil and Major. (Population as per the latest Canadian census report.)

RATIONALE:

As the Municipality does not operate any sports, cultural or recreational programs, any grants available to the Municipality for these purposes shall be allocated to the surrounding towns and villages.
