## **9.5 HERITAGE PROPERTY**

### ***DEFINITION:***

Heritage property may include archaeological and paleontological objects and/or any property or site that is of interest for its architectural, historical, cultural, environmental, archaeological, paleontological, aesthetic or scientific value

### ***POLICY:***

The Municipality shall encourage, support and promote the preservation of objects, property, and sites both natural and manmade that provide insight into the natural environment of the Municipality or the customs and culture of our forefathers as per the Heritage Property Act.

### ***RATIONALE:***

The Municipality of today is a product of its past. By preserving bits and pieces of our heritage, we are paying homage to our forefathers, providing snapshots of the past, and clues to how we have evolved. Heritage sites create and promote interest and uniqueness of the Municipality.

### ***AUTHORITY:***

Heritage Property Act, Part III

Bylaw 2/08 Designate a Site as Municipal Heritage Property (CNR Bridge)

Bylaw 1/11 Designate a Site as Municipal heritage Property (Elk School)
